Purpose

The Liz Koch Memorial Scholarship was established in memory of Liz Koch, Chief Operating Officer of the Dental Assisting National Board, Inc. (DANB) and the DALE Foundation. Liz was a strong believer in continuing education and lifelong learning. This scholarship honors her dedication to encouraging and elevating dental assistants at all stages of their careers.

About Liz Koch

Liz Koch joined the DANB staff in 2001, holding positions as Assistant Director and then Director of Testing and Measurement; she was named DANB Chief Operating Officer in 2006. In addition to her remarkable impact on DANB, Liz played an instrumental role working with DANB's Board of Directors, DANB staff and the inaugural DALE Foundation Board of Trustees to establish the DALE Foundation, the official DANB affiliate.

Liz served as Chief Operating Officer of DANB and the DALE Foundation until her untimely passing in 2011. Liz had many professional achievements, including earning three master's degrees in industrial and organizational psychology, public health, and education. Her professional affiliations included the American Society of Association Executives, Chicago Area Testing Organizations, the Institute for Credentialing Excellence and the National Commission for Certifying Agencies.

Liz believed in the potential of DANB and the DALE Foundation, but even more so, she believed in the potential of others. The Liz Koch Memorial Scholarship embodies Liz's values and beliefs.

Award Selection and Amount

There will be at least one winner per category. In category 1, applicants will be evaluated on their commitment to lifelong learning beyond DANB's Recertification Requirements. In category 2, applicants will be evaluated on their interest in or commitment to the oral healthcare field.
